Wide Format Digital Imaging System

RICOH MP W6700SP

RICOH MP W6700SP

High functionality at a reasonable price, strongly support your business with excellent performance.

Monochrome wide format MFP, the RICOH MP W6700SP has excellent operability and scanner performance. High productivity given by newly developed controller and engine and high operability of documents provide efficient copy and release of drawing works even in small spaces. Moreover, the RICOH MP W6700SP has a full-color scanner function and a function to suppress the size of scan data. These functions provide manageable digitalized drawings. The RICOH MP W6700SP which has various functions like high-end machine is available at a reasonable price and will support your business.

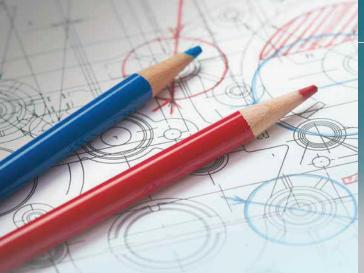

USABILITY

Paper handling function allowing simple operations.

With internal paper ejection mechanism, the RICOH MP W6700 SP stacks papers to be printed and copied on a level. You can easily take them and work efficiently in front of the machine even in small spaces. In addition, You can choose between an optional Multi-Stacker or Double-Stacker, the RICOH MP W6700SP also stacks the large size drawings, which improves handleability of documents.

HIGH PRODUCTIVITY

Newly developed controller and engine provide high productivity.

In addition to the new controller processing print data fast, the RICOH MP W6700SP adopts a new engine system, achieving high productivity in various situations.

- Continuous output speed *1 A0 : 3.7cpm, A1 horizontal : 6.7cpm - First copy time *2 A1 horizontal : 17seconds - Warm-up time *3 2 minutes

*1 Continuous speed of second and subsequent sheets.

*2 Time from the original reading start to the paper ejection completion. 1st roll feed, rear paper ejection. *3 When the room temperature is 23°C. The number depends on your environment and circumstances.

FULL-COLOR SCANNER

Enable high quality scan and digitize into manageable data.

Equipped with full-color scanner function as standard, the RICOH MP W6700SP has achieved a 600dpi high-quality full-color scan even in size A0. In addition, the RICOH MP W6700SP has some features such as resolution specification from 150dpi to 600dpi, high compression PDF creation, and scanner magnification change. You can digitize drawings and documents into various data sizes to your needs.
