The Smarter Black and White Choice

Dependable Performance, Intelligent Value

In today's fast-paced work environment, productivity depends on consistency, speed, and simplicity. The new RICOH IM 3010, IM 3510, IM 4510, IM 5510, and IM 6010 are designed to deliver dependable black & white performance, helping teams stay efficient without disruption.

Built on an intelligent platform, these multifunction devices combine reliable output, seamless workflows, and intuitive operation—making everyday tasks faster and easier.

Consistency you can rely on

These models deliver reliable black & white output for busy work environments, ensuring consistent performance and professional print quality for everyday documents. Built with enhanced processing and memory, they support smooth multitasking and long-term dependability.

- Print speed up to 30–60 ppm
- First copy out time of 2.4–4.5 seconds
- Print resolution up to 1200 x 1200 dpi.
- 6 GB memory for efficient task handling.

Fast, flexible document digitization

Designed for efficient document workflows, these devices enable high-speed scanning and quick digitization of business documents. The advanced feeder ensures faster processing and improved handling of various document types.

- Up to 300 ipm duplex scanning.
- ARDF / SPDF for efficient document handling
- Scan to email, folder, USB, and URL.

Designed for easy operation

The next generation operational panel brings faster processing, enhanced usability, and consistent experience across devices. This walk-up simplicity allows users to operate the device effortlessly.

- Intuitive user experience.
- 10.1" Smart Operation Panel.
- Responsive Capacitive Touch.

Seamless connectivity & Workflow Integration

Built to integrate into modern workplaces, these devices support mobile printing and flexible connectivity options.

- Mobile printing via Apple AirPrint, Mopria, NFC, Ricoh Smart Device Connector.
- Wireless LAN and network connectivity.
- Compatible with Windows and MacOS.
- Connects to Ricoh and third-party cloud services via Ricoh Smart Integration.

Built to protect your business

With strong built-in security features, these models help protect sensitive information and ensure safe document handling. Designed to meet modern security requirements, they support secure and compliant operations.

- TPM 2.0, WPA3, ECDSA encryption.
- Inbuilt user authentication.
- Secure print release.
- Enhanced network control and data protection.

Flexible media handling with productivity

These devices offer high paper capacity and support a wide range of media types, making them suitable for diverse business applications. Their flexible configuration helps reduce interruptions and improve productivity.

- Standard 1,200-sheet capacity.
- Expandable up to 4,850 sheets with optional paper trays.
- Supports sizes from A6 to SRA3.
- Handles envelopes, label paper, and coated paper.
- Supports paper weights from 52 to 300 gsm.

Efficiency meets sustainability

Engineered to reduce environmental impact, the IM 3010 and IM 3510 incorporate sustainable materials and energy-efficient technologies. They help lower power consumption while supporting eco-conscious business operations.

- Up to 50% recycled plastic in mainframe.
- Low-temperature fusing toner for energy savings.
- Ultra-low power consumption (0.31 W sleep mode).
- Up to 50% reduction of plastic in packaging.

Ready for today. Built for tomorrow.

The RICOH IM 3010, IM 3510, IM 4510, IM 5510, and IM 6010 are built to deliver reliable performance, strong security, and seamless workflow integration—helping your business stay productive every day.

Range Summary

Feature	IM 3010	IM 3510	IM 4510	IM 5510	IM 6010
Functions	Print, Copy, Scan, Fax (Optional)				
Document Feeder	ARDF/SPDF				
Print Speed	30 ppm	35 ppm	45 ppm	55 ppm	60 ppm
First Copy Time	4.5 sec				
Paper Input (Standard + Bypass)	1,100 + 100 sheets				
Paper Input (Maximum)	4,850 sheets				
Memory	6 GB (mainframe 2 GB + Smart Operation Panel 4 GB)				
Storage	256 GB SSD				
Operation Panel	10.1" Smart Operation Panel				
Scan Speed via SPDF (1-sided/2-sided)	150/300 ipm				
Scan Modes	E-mail, Folder, USB, URL				
Print Resolution	1200 x 1200 dpi; 4,800 x 1200 dpi equivalent (maximum)				
Wireless LAN	Standard				
Mobile Printing	Apple AirPrint, Mopria®, NFC, Ricoh Smart Device Connector				
Security	TPM 2.0, WPA3, ECDSA				
Power Consumption (Sleep)	0.31 W				
Typical Electricity Consumption (TEC)	0.29 kWh	0.34 kWh	0.44 kWh	0.54 kWh	0.59 kWh
Weight – with SPDF	89.9 kg				
Dimensions (W x D x H)–with SPDF	587 mm x 701 mm x 963 mm				
Ricoh Smart Integration	✓	✓	✓	✓	✓
Ricoh Always Current Technology	✓	✓	✓	✓	✓
